Company Profile

SCI Engineering, Inc. (SCI) is a multidiscipline firm with over 150 employees in four offices in Missouri and Illinois. The company's success is attributed to our team of highly skilled and experienced staff of professional environmental, construction, geotechnical, natural, and cultural resource engineers and scientists. SCI has significant experience working with governing agencies including: U.S. Army Corps of Engineers (various districts), Department of Veterans Affairs, and the National Geospatial Agency.
