

Contact Information

Our professional team of more than 150 employees has served clients throughout the Midwest from four offices located in Missouri and Illinois. For more than a quarter century, SCI has been dedicated to providing professional services of the highest quality. All offices and personnel may be reached by calling our Main Number: 636-949-8200.

“We were very impressed with SCI’s ability to handle [a 200 mile pipeline project] so effectively and efficiently. A project of this scale requires constant communication, attention to detail, adaptability, and on-the-fly troubleshooting, all of which SCI provided.”
